A WINNING CELEBRATION

Dan Patch Days provides a great opportunity to experience all the fun, festivities and food of a family vacation this summer – all in our own backyard. Dan Patch Days, June 25-28, is a family-focused event that offers something for everyone. Throughout the weekend, an estimated 15,000 people will come to the Community Park in Savage to enjoy wonderful food, fantastic entertainment, spectacular fireworks, a street parade and much more. From a petting zoo and pony rides to a parade and live music, 2009's Dan Patch Days is much more than just a few days of horsing around.

Each year, Dan Patch Days celebrates the most famous resident of the city of Savage. A horse named Dan Patch. Dan Patch has been called The King Of The Pacers, The World's Champion Harness Horse, The Great Dan Patch and the greatest harness horse in the history of the two-wheel sulky. The only horse in racing history to break the two-minute barrier 35 times.

Dan Patch Days is all about bringing our community together. Our mission is to inspire, enlighten, and delight all our visitors while we use the proceeds to maintain and enhance community organizations. Over the past 5 years Dan Patch Days has given back over \$85,000 to community organizations and projects. By being a Sponsor, a volunteer or by attending the event itself...you help us accomplish good things for our community and the organizations within it...and we would like to say "Thank You" – we hope to see you this year at Dan Patch Days!

For more information about Dan Patch Days or to sign up to volunteer, please visit our website www.danpatchdays.org or call (952) 440-6255.

HEADLINER BAND PREFORMS AT DAN PATCH DAYS

Sponsored by the Savage Pacer

Hairball's unique dual frontman assault, featuring veteran vocalists Rockstar Bob and Kris Voxx, sets them apart from all other "80's" tributes. They cop the personas of the era's legendary frontmen

while rapidly changing elaborate costumes, then complete their transformations with dead-on visual and vocal performances. They alternate their stage time, bringing new characters to the stage every 5 to 10 minutes! This relentless, rapid-fire style is constant, enabling Hairball to represent more than 20 of the "80's" biggest and most colorful rock 'n roll superheroes! You're not going to find Guns 'n Roses, Whitesnake, Bon Jovi, Def Leppard, Motley Crue, Ozzy, AC/DC, Journey, Poison and more on the same bill anywhere else!

The core of Hairball consists of guitarist Happy, bassist Shawn "Sports" Pop and drummer Colt Python, all of whom are legitimate rockstars in their own right. With their enormous backline of amplifiers and mammoth drums, these guys outgun everybody in every department.

For Over 25 Years, Minnesota Valley Humane Society Has Been A Community Asset, Acting Solely For The Benefit of Homeless Animals.

Each year nearly 4,000 animals come through our doors. Unfortunately, some of the animals that come to us have very sad stories. Abused and neglected dogs; cats left abandoned in crates at our back door; and stray animals found wandering the streets. At the MVHS, we witness first-hand, these situations all too often.

But thanks to ongoing community support, we have been successful in rehabilitating many of these animals. Through extra love, attention and training, MVHS has helped to give these animals a second chance at a new life.

Cybil and Crackers are two examples of abused animals who were rehabilitated to become companion pets. To read their (and several other) heart touching stories visit: www.MVHSpets.org

BEFORE SECRETARIAT...
SEATTLE SLEW...
OR WAR EMBLEM...
THERE WAS...
Dan Patch!

The only horse in racing history to break the two-minute barrier 35 times, Dan Patch startled the world with a record-breaking one mile pace of 1:55 on September 8th, 1906 at the Minnesota State Fairgrounds. Apart from his physical prowess, Dan Patch was a crowd pleaser and a hero to kids across America - as popular as Lassie and Rin Tin Tin.

Dan Patch lived and trained in an elaborate horse stable built on the southern banks of the Minnesota River by his owner, M.W. Savage, a prominent Minneapolis businessman. When Dan Patch died in 1916, Savage died 32 hours later- an untimely death said to be caused by a broken heart. The local community was so fascinated with the fairy-tale story of Dan Patch and his owner that they decided to rename their City to Savage. Nearly hundred years later, the City of Savage continues to celebrate the horse's great legacy with Dan Patch Days.

The Dan Patch Historical Society is selling **2009 Dan Patch Days Commemorative Buttons** for \$3 each. Purchase a button and you're registered to win one of many great prizes in the Dan Patch Days Button Raffle. Winners will be announced on Saturday afternoon, June 27, during Dan Patch Days in the Savage Community Park.

Dan Patch Days is one event the Community stands behind and one thing we learned for sure is... Rain or Shine...the show must go on!!

In the event of inclement weather, the Dan Patch Days website www.danpatchdays.org will have the most current updated information or closings.
