## A Winning Celebration!

Dan Patch Days provides a great opportunity to experience all the fun, festivities and food of a family vacation this summer – all in our own backyard! Dan Patch Days, June 22-25, is a family-focused event that offers something for everyone. Throughout the weekend, an estimated 10,000 people will come to Community Park in Savage to enjoy tasty food, fantastic entertainment, spectacular fireworks, kids activities and much more! From inflatables, to BINGO, to a parade, and live music, 2017's Dan Patch Days is much more than a few days of horsing around.

Each year, Dan Patch Days celebrates the most famous resident of the city of Savage. A horse named Dan Patch. Dan Patch has been called The King of the Pacers, The World's Champion Harness Horse, The Great Dan Patch and the greatest harness horse in the history of the two-wheel sulky. The only horse in racing history to break the two-minute mile barrier 35 times.

Dan Patch Days is all about bringing our community together. The winner receives a custom coat rack made from the original wood and nails from the Savage Depot and the second place winner receives a full color Savage blanket. A button is mandatory to participate in the horseshoe hunt. The horseshoe hunt started 20 years ago as a means to spark some interest in the history of the city.

Clues appear on the Dan Patch Historical Society website, [www.danpatch.com](http://www.danpatch.com), and the Savage Pacer, five weeks before the event to find the hidden horseshoe located on public property. The finder receives \$100 and an opportunity to ride in the grand parade. The button and the hunt are sponsored by the Dan Patch Historical Society with the clue master being one of its members.

**INCLEMENT WEATHER?**

Although we are hoping for sunny skies, there is always that chance of a drop of rain or two, or perhaps a full fledged storm like we experienced a few years back. Dan Patch Days is one event the Community stands behind and one thing we learned for sure is...Rain or shine...the show must go on!!

The Dan Patch Days website, [danpatchdays.org](http://danpatchdays.org), will have the most current event information or closings.
