Rob Fendler, Art Suel, Roy Schneider and Rob Ampe (left to right) are four from the original group of volunteers who worked hard on Heritage Days, which eventually turned into Dan Patch Days.

Bring the Community Together!

Savage Jaycees started Heritage Days 22 years ago. Just over 20 years ago, a group of Jaycees invested a bunch of sweat equity into Heritage Days, a community celebration that was eventually renamed Dan Patch Days.

Art Suel, Rob Fendler, Roy Schneider and Rob Ampe said that even though the Savage Jaycees had no budget to work with, the members had a lot of passion to bring the community together and celebrate the city's heritage.

“It was a lot of hard work, but we sure had fun.”

The first thing the group needed to consider was a name. Dan Patch Days started in 1953 and had been a very popular celebration for many years. But in the 1970s, it developed a reputation for rowdiness and came to an abrupt end in 1976 after a violent fight between two men ended with one of them being shot and killed.

After the first Heritage Days in 1990, the celebration grew and eventually incorporated into a formal nonprofit. The name was changed in 1996 to Dan Patch Days.

“It was a lot of hard work, but we sure had fun,” Suel recalled of the first years. “We operated on a shoestring budget.”

Blue tarps were used to protect the game area and vendors in Hollywood Park, said Fendler, who remembered cobbling the tarps together with other volunteers to create a larger tent. “We made a few bucks each year and eventually we were able to rent more equipment, including a tent,” Fendler said. Schneider and his family moved to the city in 1987,

one of thousands of families who moved into new homes being built throughout the city. “We really wanted to bring the two parts of the community together to celebrate – those residents living in the

“No single person started Dan Patch Days.”

Hamilton District and the new residents,” he said of the Jaycees’ motivation behind starting Heritage Days.

“No single person started Dan Patch Days, it was a collaboration by various individuals who made it successful,” Suel said. “Everyone pitched in and did what needed to be done. The best thing was the community got behind us and Heritage Days grew and eventually became Dan Patch Days.” Fendler and Ampe always worked behind the scenes, and continue to do so today. Ampe is

“You have to thoroughly prepare.”

literally the one who powers up Dan Patch Days because he calculates the need for electricity and draws up a plan to make it all work together.

“You have to thoroughly prepare because it might be extremely hot, it might rain, or there could be strong storms. But having a plan makes those unexpected things easier to handle.”

Today, as the men look back at what the celebration has become, they say it is almost unbelievable and has exceeded their expectations.

THE BANDS

HAIRBALL

A Tribute to **80's ROCK LEGENDS**

Sponsored by: Savage Pacer

When was the last time you saw Guns & Roses, AC/DC, Aerosmith, KISS, Queen, Twisted Sister, Alice Cooper, Poison, Bon Jovi and Judas Priest all in the same night? HAIRBALL delivers this and so much more!

Join us for our Friday night, "Party in the Park" as HAIRBALL brings their show that would make KISS jealous, to Dan Patch Days! With more costumes and make-up than a traveling circus could ever dream of and an ever-evolving and seemingly endless set list of hit songs, HAIRBALL produces a rock concert like nothing ever seen before.

Comprised of seasoned rock stars, HAIRBALL band members take pride and passion in their recreation of the most influential acts in rock history. This dizzying spectacle of non-stop rock is a world-class show you won't soon forget.

Don't miss HAIRBALL Friday night, June 22nd at 8:45pm. Gates open at 6:00pm

Them Pesky Kids

Sponsored by KleinBank

More Friday Night Fun!

Friday night's opener, THEM PESKY KIDS, brings you feel good arena rock in just about any setting. The "KIDS" bring years of rocking from the leading regional bands "Touched" and "Warp Drive" to the international touring act "Blackfoot". Everything about them is huge from their vocals, guitars, bass and monster drums to high end stage production! A good time coming from THEM PESKY KIDS will surely get your weekend motor running!

THEM PESKY KIDS perform Friday night, June 22nd at 7:15pm. Gates open at 6:00pm

What's NEW in 2012?

Every year Dan Patch Days gets bigger and better as new activities are added to keep things interesting. Some of the new attractions in 2012 include:

Savage Has Talent

The "Savage Has Talent" contest runs from noon to 2 p.m. on Saturday in Community Park. The contest will be judged by a panel of three community leaders and division winners will receive a monetary award.

Auditions took place in April and May to select the talent field. There will be performances by vocalists, instrumentalists, jugglers, magic acts and comedy acts. There is no age restriction for performers and the content will be family friendly. Mauri's School of Dance and American Top Team are the sponsors of this event. They will be doing live performances during "Savage Has Talent," but will not be competing with the other performers for prizes.

Neighborhood Float Contest

Have you always wanted to be in the Grand Day Parade in downtown Savage on Sunday afternoon? If so, enter the Neighborhood Float Contest and construct your floating work of art based on the theme "Movies." First prize is \$200, second is \$100 and third is \$50.

Judging takes place at 11:30 a.m. before the parade begins and all floats must be "parade ready" at that time. Floats can be no larger than 17.5 feet high by 16 feet wide and must be "family friendly."

Them Pesky Kids

"Them Pesky Kids" will be opening for "Hairball" from 7:15 to 8:15 p.m. on Friday at Community Park. The local band has been rocking the Twin Cities with vocals, guitars, bass and monster drums for years. Brian Hollenbeck, Mark Woerpel, Brian Waterman and Mark Westlund promise to "keep your motor running all day" with their original rock 'n roll music. "Them Pesky Kids" recreates the awesome atmosphere of an arena rock show because the musicians bring years of rocking from leading regional bands such as "Touched" and "Warp Drive"

to the international touring act "Blackfoot." The deep vocals provided by three lead singers sets them apart from all other bands. Everything "Them Pesky Kids" does is huge -- from vocals, guitars, bass and monster drums to high end stage production. The non-stop rock 'n roll party is infectious and you can't help but get up out of your seat.

Radio Disney

If your kids like Justin Bieber, Demi Lovato and Selena Gomez, then make time to get them to the "Radio Disney" broadcast from 2 to 4 p.m. Saturday in Community Park. In addition to great music, there will be a variety of games such as musical hula hoops, Mickey Toss, Dan Patch trivia with the prize wheel, dance contests and group dances. The Prize Tornado will be there, depending upon weather and availability.

Stereo Sunrise

"Sterio Sunrise" is a female foursome hailing from the southwest Twin Cities that writes, plays, sings and produces their own music. This local band will be performing Saturday from 4:30 to 6 p.m. on the main stage.

In 2008, cousins Nicole, Siobahn and Natalie Fideler put the band together and in 2010 Lauren Smith joined the group. "Sterio Sunrise" has performed at places like The Garage and the Savage Farmers' Market, as well as during previous Dan Patch Days celebrations. They also perform a Christmas show annually at the Mall of America.

Images of America - Savage

A new book, "Images of America - Savage," will be for sale at the Dan Patch Historical Society Booth Saturday afternoon from 2 to 8 p.m. Author Nancy Huddleston (former editor of the Savage Pacer) will be signing books during that time.

Although we are hoping for sunny skies, there is always that chance of a drop of rain or two, or perhaps a full fledged storm like we experienced a few years back. Dan Patch Days is one event the Community stands behind and one thing we learned for sure is... Rain or Shine... the show must go on!!

The Dan Patch Days website www.danpatchdays.org will have the most current updated information or closings.
