DAN PATCH DAYS

A Winning Celebration!

Dan Patch Days provides a great opportunity to experience all the fun, festivities and food of a family vacation this summer – all in our own backyard! Dan Patch Days, June 20-23, is a family-focused event that offers something for everyone. Throughout the weekend, an estimated 10,000 people will come to Community Park in Savage to enjoy tasty food, fantastic entertainment, spectacular fireworks, kids activities and much more! From inflatables, to BINGO, to a parade, and live music, 2019's Dan Patch Days is much more than a few days of horsing around.

Each year, Dan Patch Days celebrates the most famous resident of the city of Savage, a horse named Dan Patch. Dan Patch has been called The King of the Pacers, The World's Champion Harness Horse, The Great Dan Patch and the greatest harness horse in the history of the two-wheel sulky. He is the only horse in racing history to break the two-minute mile barrier 35 times.

Dan Patch Days is all about bringing our community together. Our mission is to inspire, enlighten, and delight all our visitors while we use the proceeds to maintain and enhance community organizations. Over the past 20 years, Dan Patch Days has given back over \$195,000 to community organizations and projects. By being a sponsor, a volunteer or by attending the event itself... you help us accomplish good things for our community and the organizations within it, and we would like to say "Thank You" – we hope to see you this year at Dan Patch Days!

TRIPPIN' BILLIES

Sponsored by Fendler Patterson Construction & Old National Bank

Bringing fans the music of *The Dave Matthews Band* for close to twenty years, Trippin' Billies has become the gold standard for tribute bands. Based out of Chicago, the Billies have toured extensively throughout the U.S. performing at many of the same theaters Dave himself once graced.

Comprised of some of the best musicians in Chicago, (WXRT) one need not be a diehard DMB fan to enjoy a show. The high-energy performance and caliber of musicianship will have you singing along by the second chorus. But if you are a fan of the Dave Matthews band, don't walk, run to see this band. *Relix* magazine has named them top five tributes in the country for good reason, come find out why.

TRIPPIN' BILLIES takes the stage Friday night from 6:30-8:30 pm in Community Park.

CHRIS HAWKEY

Sponsored by Fendler Patterson Construction & Old National Bank

Chris Hawkey, the self-described luckiest man in the world, was born and raised in Union City, a small town that rests on the state-line that separates Ohio from Indiana. He spent his youth competing in a wide variety of sports while dreaming of seeing the world through the windows of a tour bus. Having joined his first band at the age of 15, Chris began his pursuit of "the dream" while still in high school, playing "every bar and city festival within a 100 mile radius".

Chris is the co-host and producer of the *Powertrip Morning Show* on sports giant KFAN Radio. He has been a member of several musical groups including Rocket Club. Currently he is the front man of the Chris Hawkey band with whom he has released several singles and albums, including his most recent release, "*Set Free*" in 2018. His album is a heartfelt and very personal collection of tunes that span every genre.

The Chris Hawkey Band has played to record crowds all over the United States as both headline and direct support for Country Music Superstars. Come see a musical performance that will have you rockin' your socks off!

CHRIS HAWKEY takes the stage Friday night from 9:00-11:00 pm in Community Park.

THE BUCKINGHAM COMPANIES

Buckingham Companies is a family-owned and operated company that has been in business for 48 years and we strive to provide the best service possible for our community. We handle residential garbage, recycling, and commercial service to customers in Savage, Prior Lake, Burnsville, Elko/New Market, rural Shakopee, parts of Lakeville, and some parts of Eden Prairie. This portion of our business also operates a recycling center in Scott County and all recycling material generated on Buckingham routes are brought back and processed at our own facilities, so that they can be recycled properly. We also operate a trucking division for roll-off boxes for rent. Buckingham covers the seven county Twin Cities Metro area for roll-off boxes and can provide three different sizes for rent. We hope that you have a great time at Dan Patch Days!
