

Dan Patch NEWS

Thanks your support of projects

July 8, 2006

Thank you to all of the people who stopped by our booth on Saturday at Community Park and on Sunday at the Depot site downtown during Dan Patch Days. We had members attend from as far away as Arizona and northern Wisconsin. We sold nearly three cases of the book and many bricks. The books are available in bookstores, but signed copies are available from us with a portion of the proceeds going to the Dan Patch Historical Society. Pick up your signed copy of the book/DVD from the Razor's Edge Barber/Salon for \$24.95. Do your Christmas shopping early!

The author, Tim Brady will be at the Savage Public Library on Sunday, July 30 reading from "The Great Dan Patch and the Remarkable Mr. Savage," signing and selling copies. This event is sponsored by the Dan Patch Historical Society and the Savage Friends of the Library.

A special thanks to all who supported our depot project by purchasing a brick. Brick sales are over and we are pleased to report that we sold 211 ... a few over our goal! The bricks have been ordered so watch for details on the unveiling. If you are so inclined we are still accepting donations of all sizes for the Depot. Special envelopes are available at the library, city hall and Razor's Edge.

For the depot update: the location on the Town Square site is staked, the "digger" is there, the depot is loaded on the truck and off of its foundation at Murphy's Landing. We await the crane to lift off the roof and then it will be on its way.

The Dan Patch Historical Society proudly works to keep the heritage of this community alive. This bi-weekly feature is a partnership with the Dan Patch Historical Society and the Savage Pacer. Information is provided by the historical society. For more information on the city's history, go to www.danpatch.com.
